

# Instructions for wear checks of play equipment

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Playground.....

Date of installation .....

Checks depend on the type of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on

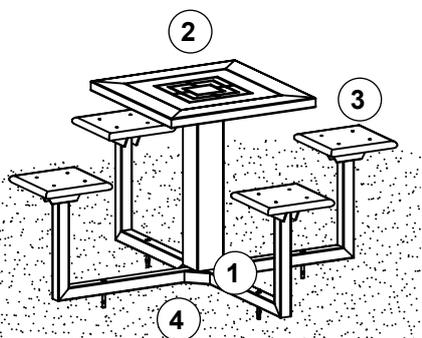

- location
- usage
- frequency of use
- possible vandalism

For more details see also our general instructions for maintenance of playgrounds!

**Catch me if you can - Game**  
(with non-removable playing pieces)  
**Order No. 9.11000**

**Chess Game**  
(without playing pieces)  
**Order No. 9.12000**

**Nine Men's Morris Game**  
(with non-removable playing pieces)  
**Order No. 9.14000**

## Stainless steel

1. Clean with stainless steel spray (www.kim-tec.de) using a clean cloth.

## Playing surface

2. Clean recesses in the playing surface and openings for water drainage. If necessary, remove the playfield (loosen 4 screws on the underside).

## Seating surface

3. Check for damage.

## Structural stability

4. Check the anchoring to the ground once a year.

Special notes, e.g. for repairs

Repair not carried out, it is still possible to play on equipment

Repair not carried out, equipment is taken out of action

All work carried out, everything is in order

Maintenance carried out by:

..... Date .....
